- *Speech by Mr Mahen SEERUTTUN, Minister of Financial Services and Good Governance of the Republic of Mauritius,*
- *Speech by Mr Laurent AMAR, Diplomatic Advisor to the Préfet, representing the Préfet of Reunion Island,*
- *Speech (video) by Mr Slawomir TOKARSKI, Director of European Territorial Cooperation, Macro Regions, Interreg and Programme Implementation, representing the European Commission,*
- *Speech by Mrs Huguette BELLO, President of the Regional Council of Reunion.*

## 1. Decisions of the 2014-2020 Interreg Monitoring Committee of 8th December, 2022

### *1.1 Progress of the Interreg V Indian Ocean programme (2014-2020)*

The Committee noted the programme's progress which, as of 01/12/22, stood at a programming rate of 107% and a certification rate of 56%.

### *1.2 Update on the summary of assessment work carried out during the 2014-2020 programming period*

The Committee noted the assessment work carried out on the INTERREG V Indian Ocean programme. It also noted that a summary of these assessments will be formally transmitted to the European Commission before 31st December 2022.

### *1.3 Update on the summary of communication actions carried out during the 2014-2020 programming period*

The Committee noted the communication actions carried out in 2022, with extensive communication in partner countries and greater exposure for the programme seen in national and European communication campaigns.

## 2. INTERREG VI Indian Ocean Programme (2021-2027)

### 2.1 Presentation of the new Interreg VI Indian Ocean programme (2021-2027)

The Committee noted the presentation of the INTERREG VI Indian Ocean programme, one which respects the regulatory requirements for both the thematic breakdown and the programme communication format, as well as covering specific problems of the programme zone.

### 2.2 Presentation of the 2021-2027 Monitoring Committee and its rules of procedure

The Committee noted the provisional adoption of the composition of the Interreg VI 2021-2027 Monitoring Committee and its rules of procedure, pending the adoption of the Indian Ocean Interreg programme and the notification of the implementing decision approving the programme.

The Committee noted the changes in the 2021-2027 rules of procedure in comparison with those of the 2014-2020 programming period, essentially relating to regulatory requirements and the formalisation of existing practices.

The implementation decision approving the programme having been notified on ..., the 2021-2027 Monitoring Committee and its rules of procedure will be set up, unless otherwise, 15 days from the date of notification of these minutes to the members of the IMC, i.e. on ... December. The final rules of procedure are attached to these minutes.

### 2.3 Presentation of the framework agreement approach and the draft framework agreement (annex of the rules of procedure)

The Committee noted the draft INTERREG framework agreement and the approach thereto. It is informed that the approval of the framework agreement is without prejudice to the sovereignty of third party countries, and that this has been added to the model framework agreement annexed to the attached rules of procedure.

### 2.4 Presentation of the next steps in preparing the implementation of the INTERREG VI programme

The Committee noted the forthcoming work to be carried out in order to enable the implementation of the INTERREG VI programme.

## **INTERREG MONITORING COMMITTEE**

### **ANNEX 1:**

### **Presentation documents**

# Interreg Monitoring Committee

## Plenary session

8th December 2022

## AGENDA

### Part 1 - Interreg V Indian Ocean Programme 2014-2020

1. Presentation of the work of 2 Volunteers of International Solidarity (VSI)
2. Progress update of the INTERREG V programme
3. Update on the assessment work carried out during the programme
4. Communication update

### Part 2 - Interreg VI Indian Ocean Programme 2021-2027

1. Presentation of the INTERREG VI programme
2. Presentation of the 2021-2027 Monitoring Committee and its rules of procedure
3. Presentation of the framework agreement approach
4. Presentation of the next steps

# PART 1

# INTERREG V PROGRAMME

# 2014-2020

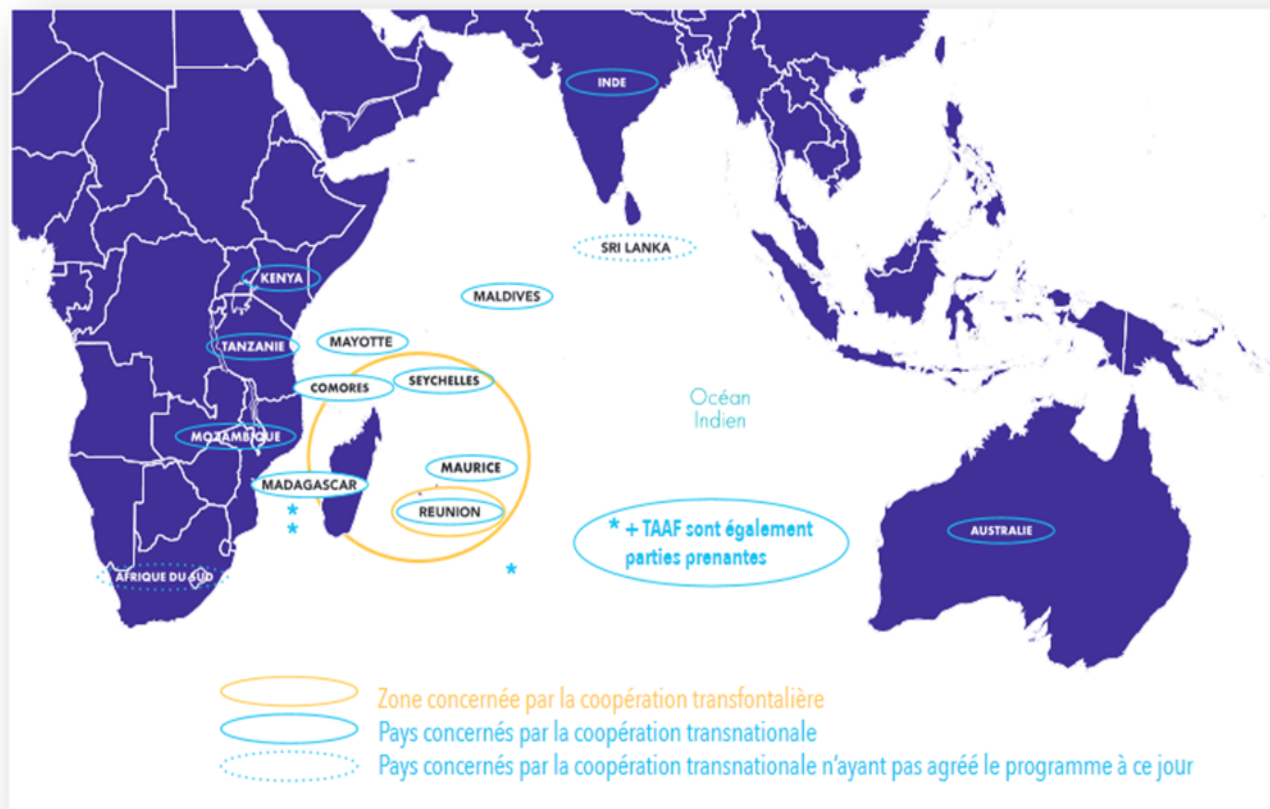

# 1- VSI video testimonials from the Seychelles and Madagascar

## 2- Progress update of the INTERREG V programme

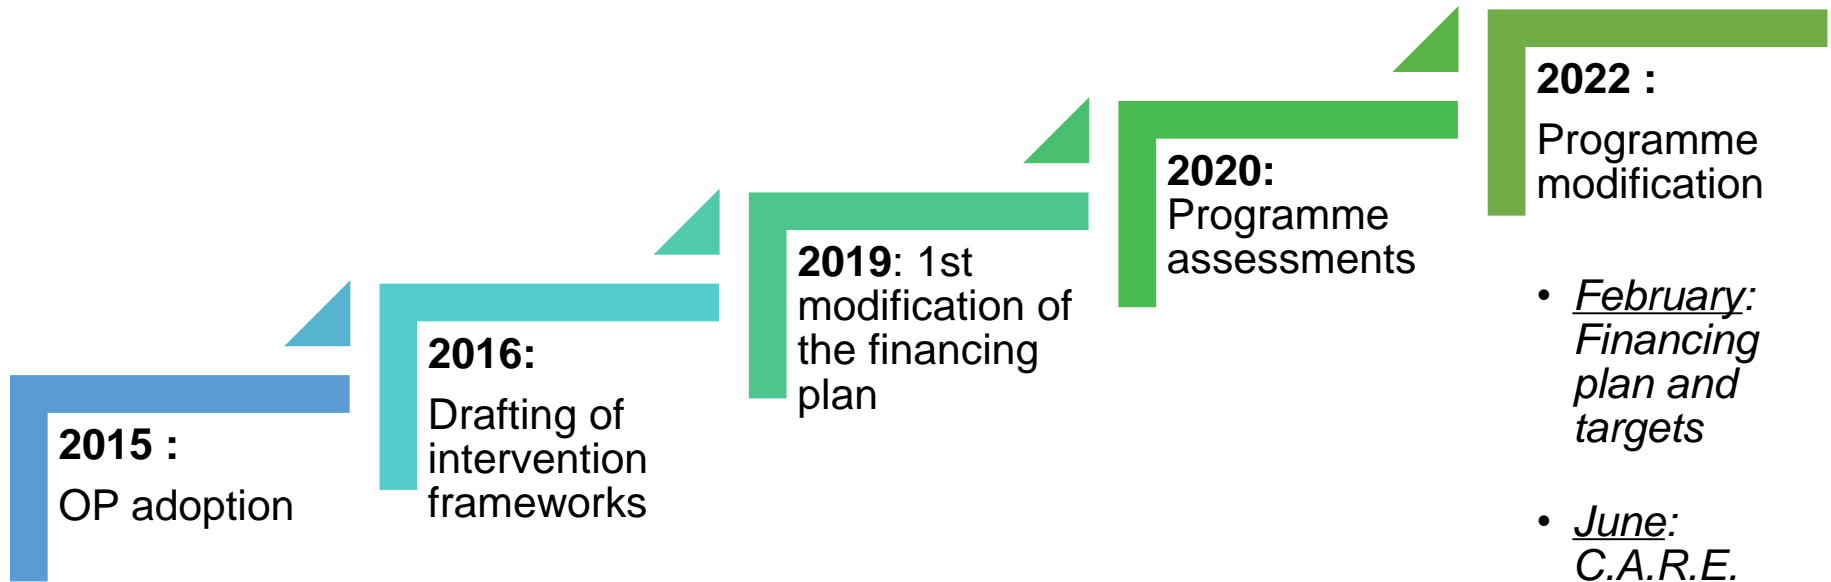

# Presentation of the Interreg V IO programme

## THE PROGRAMME

- 11 third-party states
- The Regional Council of Reunion as managing authority
- **€74.3M total budget:**
  - ✓ €63.1M ERDF (EU)
  - ✓ €11.1M€ national counterbalance
- **2 components**
  - ✓ Cross-border €41.3M
  - ✓ Transnational €21.7M

## Programme implementation

### Governance bodies :

- Since the beginning of the programme, the *Interreg Monitoring Committee* has met 7 times
- In 2022, the *Interreg Steering Committee* met 8 times, between February and December 2022

# Overview of progress

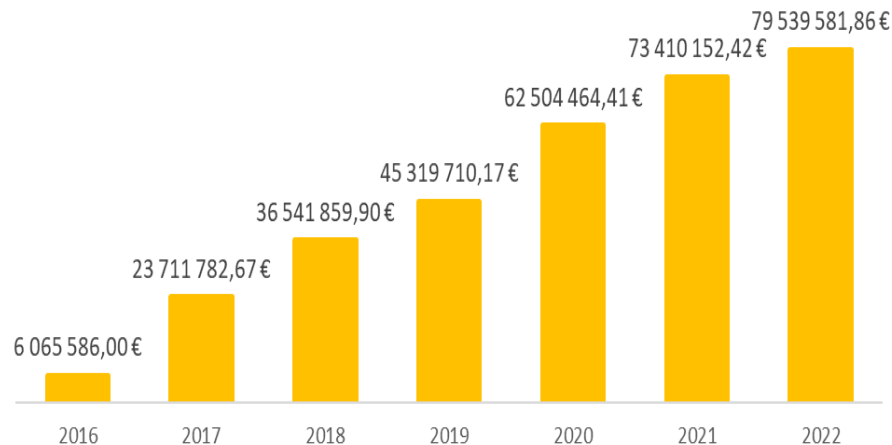

## PROGRAMMING

- 248 projects funded
- Total eligible costs: €79.5M,
- Programming rate: 107%.

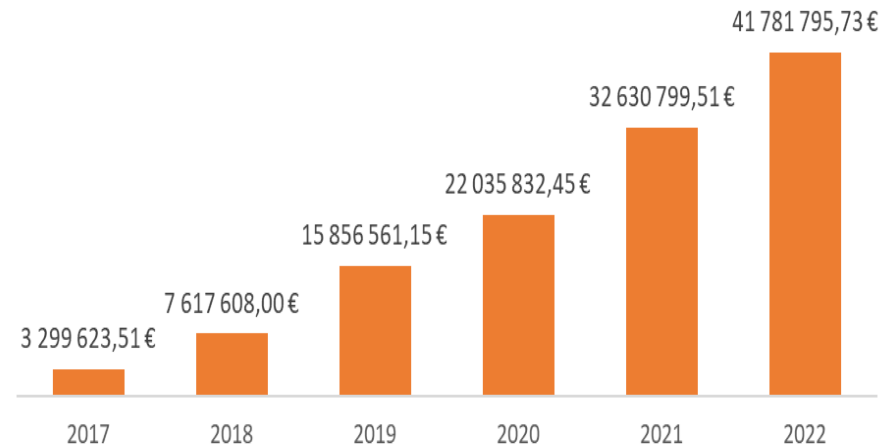

## CERTIFICATION

- Total cost: €41.7M
- Certification rate: 56%.
- Automatic decommitment to be reached by end of December

Evolution de la programmation depuis le début du programme  
(coût total éligible cumulé)

Evolution de la certification depuis le début du programme  
(coût total cumulé)

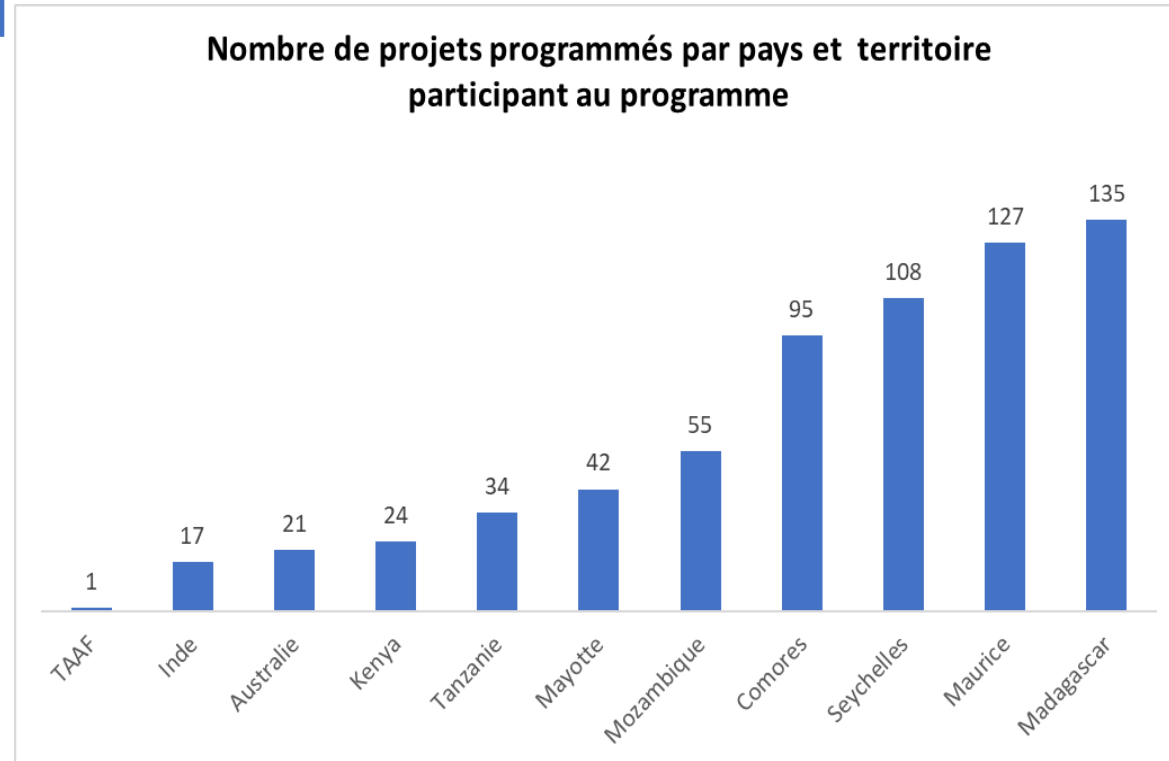

## Involvement of partner countries

### CROSS-BORDER SECTION

- 141 projects
- Total cost: €51.1M€, i.e. 105% of the budget for this component

### TRANSNATIONAL ASPECT

- 107 projects
- Total cost: €28.3M€, i.e. 111% of the budget for this component

## Discussions during the technical meeting

### Comments regarding the programme's progress

The European Commission noted that the description of the EDF-ERDF projects within the report is complete.

Details were requested concerning the results of the funded projects.

### Details provided by the Managing Authority

The Managing Authority's services specified that on-site visits have been carried out to observe project results (collection of deliverables, fulfilling indicators, etc.).

The Managing Authority will provide the Commission with information on the projects mentioned.

# DECISION OF THE MONITORING COMMITTEE

# **3- Summary of the assessment work carried out for the 2014-2020 programming period**

## Assessments carried out during the programming period

**2016:**  
Establishment  
and approval  
of the  
assessment  
plan

**2020:**  
assessment  
work  
(impact and  
themes)

**2022:** Summary  
of assessments  
sent to the  
European  
Commission

**2019:**  
development  
of the terms of  
reference for  
assessments

**2021:**  
presentation  
of conclusions  
&  
recommendati  
ons to the  
CRE

***Presentation  
to the CRE in  
November  
2022***

## Discussions during the technical meeting

### Comments regarding the assessments

The Commission welcomed the quality of documents submitted to the Committee.

### Details provided by the Managing Authority

# DECISION OF THE MONITORING COMMITTEE

## 4- Communication update

## Communication actions (1/3)

### NEWS

- Training of 3 VSIs within the MA services (before starting their jobs)
- Annual Interreg meetings in Brussels (26th-28th October 2022)

### NEW PROJECTS

- Two newsletters for partner countries (No. 11 and No. 12)
- Testimonial videos
- Update of the dedicated web page

### MEDIA

- Website: [www.regionreunion.com](http://www.regionreunion.com)
- Social networks and regional website: testimonial videos, project monitoring, newsletters, communication dedicated to the 'Pretty Month of Europe' celebrations
- Public consultation on the environmental assessment of the Interreg VI programme
- Local television: promotion of projects in the 'Mazin Rényon' TV programme
- Posting on Youtube of communication videos by the project leaders: TAAF, OVPF, Regional Council of Reunion (*Moring project*)

Le Tingué seychellois intégré au projet de sauvegarde du patrimoine culturel immatériel à l'île de La Réunion | 20 August 2022

Un séminaire en faveur d'un patrimoine culturel vulnérable

Du 19 au 24 mai 2022, un séminaire à la Maison Foucque à La Réunion a mis en avant un projet mené par la région pour la reconnaissance des arts de combat traditionnels de l'Océan Indien. Six zones sont concernées: la Réunion, le Mozambique, Madagascar, Mayotte, les Comores et les Seychelles.

Co-financé par l'Union européenne dans le cadre du programme de coopération INTERREG V Océan Indien 2014-2020, ce projet a pour but de valoriser un patrimoine culturel immatériel commun aux six régions impliquées. En effet, ce que les réunionnais appellent le moring, les Seychellois l'appellent le tingué et à Grande Comore, cet art de combat se nomme le mourengué.

## At national and European level

**The Interreg programme for outermost regions**  
**HATARI - the sources of seismic and volcanic hazards in Comoros**

**Annual Interreg Meeting in Brussels**  
**'Paré pas paré' project – digital application**

**RoadTripEUR event organised by the DGOM**  
**Visit to the Plant Protection Unit (3P)**

52 **HATARI**  
Les sources des aléas sismiques et volcaniques aux Comores

**Description du projet**  
Le projet HATARI est financé par l'Interreg au titre de l'axe de l'Observatoire Volcanologique du Pôle des Outre-mer de la Réunion, en partenariat avec le Centre National de Documentation et de Recherche Scientifique (CNRD) de Madagascar. Le projet vise à développer un portail de données de référence des Comores, à travers plusieurs étapes : l'analyse des données existantes, la mise à jour des données, la création d'un portail de données, la mise à disposition des données et la mise à jour des données.

**Résultats obtenus**  
Le projet HATARI a permis de mettre à jour les données de référence des Comores, de développer un portail de données et de mettre à disposition des données.

53 **Les sismes, vous ?**  
Le sismisme, est un phénomène qui se produit de façon régulière dans la croûte terrestre. Les sismes sont des vibrations de la croûte terrestre qui se propagent sous forme d'ondes sismiques.

<p>The European Commission expressed its satisfaction with the impact of media communication in third party countries.</p>	

# DECISION OF THE MONITORING COMMITTEE

# **PART 2**

# **INTERREG VI PROGRAMME**

# **2021-2027**

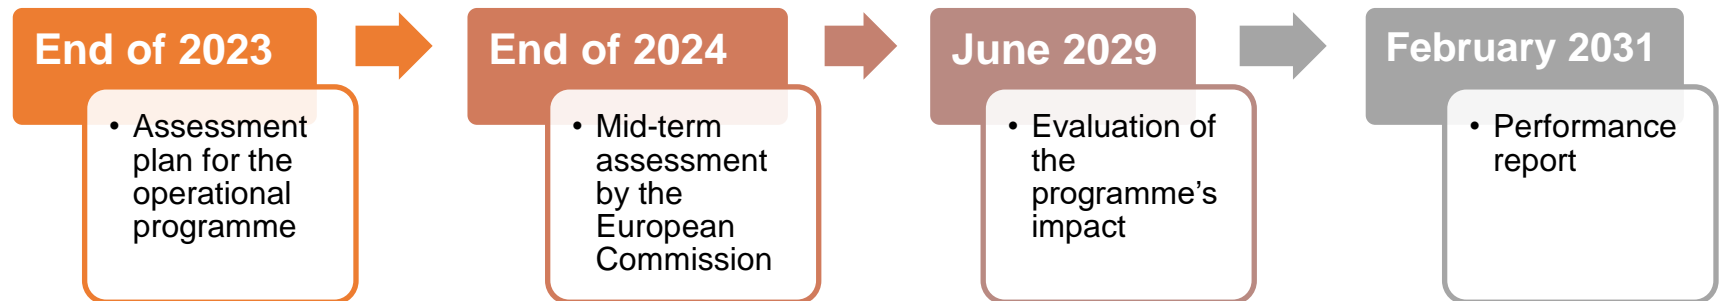

# 1- Presentation of the INTERREG VI Indian Ocean programme

## Breakdown by theme (Art. 15 of ETC regs.) and Assessment

### Compulsory breakdown by theme - INTERREG 'D' component (ETC Art. 15)

- 60% minimum for SO2 and a maximum of two other SOs
- Maximum 20% on ISO 1 – improving cooperation governance
- 30% of programme funds to support climate change objectives

**Art. 35:** Drawing up and approving an assessment plan *no later than one year after approval* of the INTERREG programme

## The programme's new visual identity

**Interreg**

Cofinancé par  
l'UNION EUROPÉENNE

**Océan Indien**

# Communication (art.36 of ETC regs)

## CHALLENGES

**Objective:** to give greater importance to communication, and to place the citizen at the heart of the programme

## COMMISSION RECOMMENDATIONS

### Commission

### Recommendations:

Budget allocated for communication: €125k/year or 3% of the programme

## INCLUDED WITHIN THE PROGRAMME

**Approach to communication and visibility within the programme, as governed by article 17.3.h (no longer a separate communication strategy)**

+

**Advertising requirements for all projects (reduction of up to 2% of fund support)**

+

**Improved online communication**

# Programme scope

## PROGRAMME

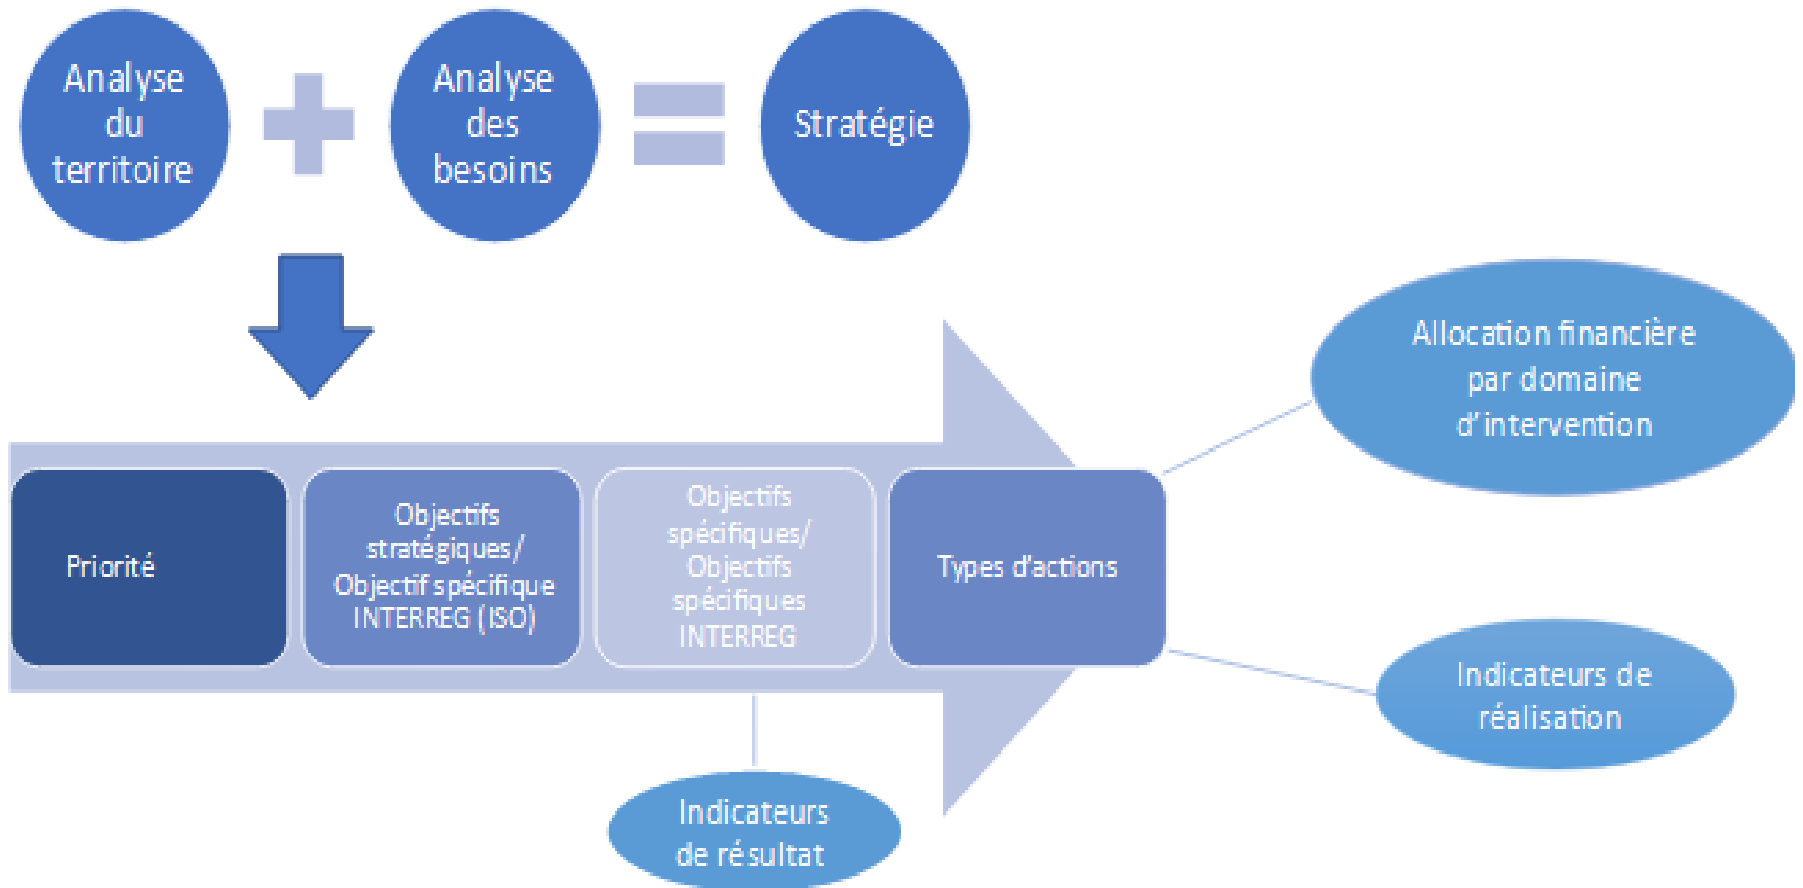

- Regional Council of Reunion as Managing Authority
- 11 third party countries
- 2 agreements under negotiation (South Africa and Sri Lanka)

## €73.2M total budget

- €62.2M ERDF (EU)
- €10.9M€ national counterbalance

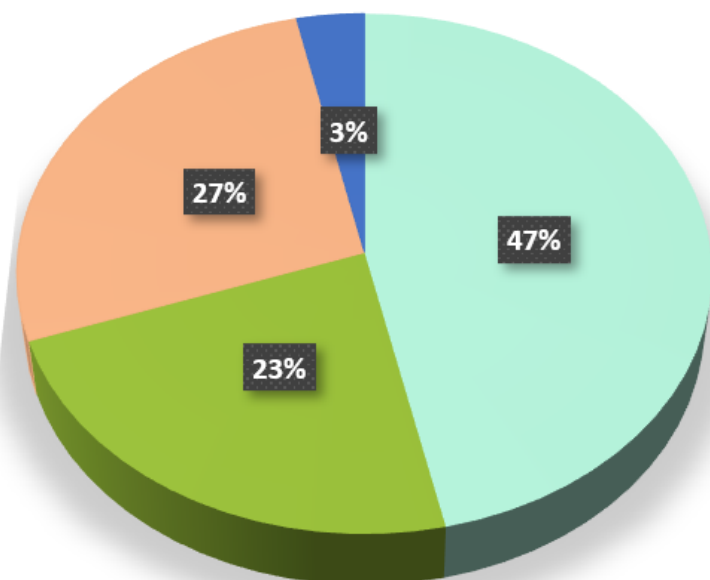

## Breakdown of programme intervention

## Programme model

### Ventilation du programme par priorité/OS

- OS1 - Une Europe plus compétitive et plus intelligente
- OS2 - Une Europe plus verte
- OS4 - Une Europe plus sociale et plus inclusive
- ISO 1 - Une meilleure gouvernance de la coopération

## ***PRIORITIES AND TYPES OF ACTION WITHIN THE INTERREG VI INDIAN OCEAN PROGRAM***

### **Priority 1: Strengthening collaborative research and economic cooperation**

- 1.1: Partnership research projects on shared issues between stakeholders in the region
- 1.2: Networking of researchers, the sharing of scientific knowledge and actions to capitalise on, disseminate and simplify research results
- 1.3: Regional research grants
- 1.4: Development of economic exchanges and value creation across the Indian Ocean region
- 1.5: Development of cooperation in the agricultural sector
- 1.6: Development of cooperation in the maritime sector

### **Priority 2: Resilience & Sustainable Development**

- 2.1: Prevention and management of natural and health risks in the Indian Ocean
- 2.2: Biodiversity protection projects
- 2.3: Support for sustainable energy transition in the Indian Ocean
- 2.4: Development of the circular economy in the Indian Ocean

## ***PRIORITIES AND TYPES OF ACTION WITHIN THE INTERREG VI INDIAN OCEAN PROGRAM***

### **Priority 3: Inclusion, culture, social & economic development**

- 3.1: Training and sharing of experiences across the Indian Ocean
- 3.2: Young professionals volunteering across the Indian Ocean
- 3.3: Strengthening cultural, sporting and artistic exchanges across the Indian Ocean
- 3.4: Support for tourism development

### **Priority 4: Improving cooperation governance**

- 4.1: Capacity building, experience sharing and coordination between cooperation stakeholders (notably between offices)
- 4.2: Small-scale projects promoting cooperation between citizens (education, culture, sport)

## Discussions during the technical meeting

### Comments regarding the programme presentation

### Details provided by the Managing Authority

The Seychelles INTERREG Focal Point stressed that the INTERREG VI programme has learned lessons from the previous programming period, and welcomed the work carried out over the last 2 years.

The INTERREG Focal Point in Mauritius emphasised the close cooperation seen during the development of this programme.

The European Commission :

- stated that the programme is well-balanced and addresses the issues of our region.
- welcomed the fact that the programme respects the thematic breakdown as set by the regulations, even going beyond rates set for the climate objective.

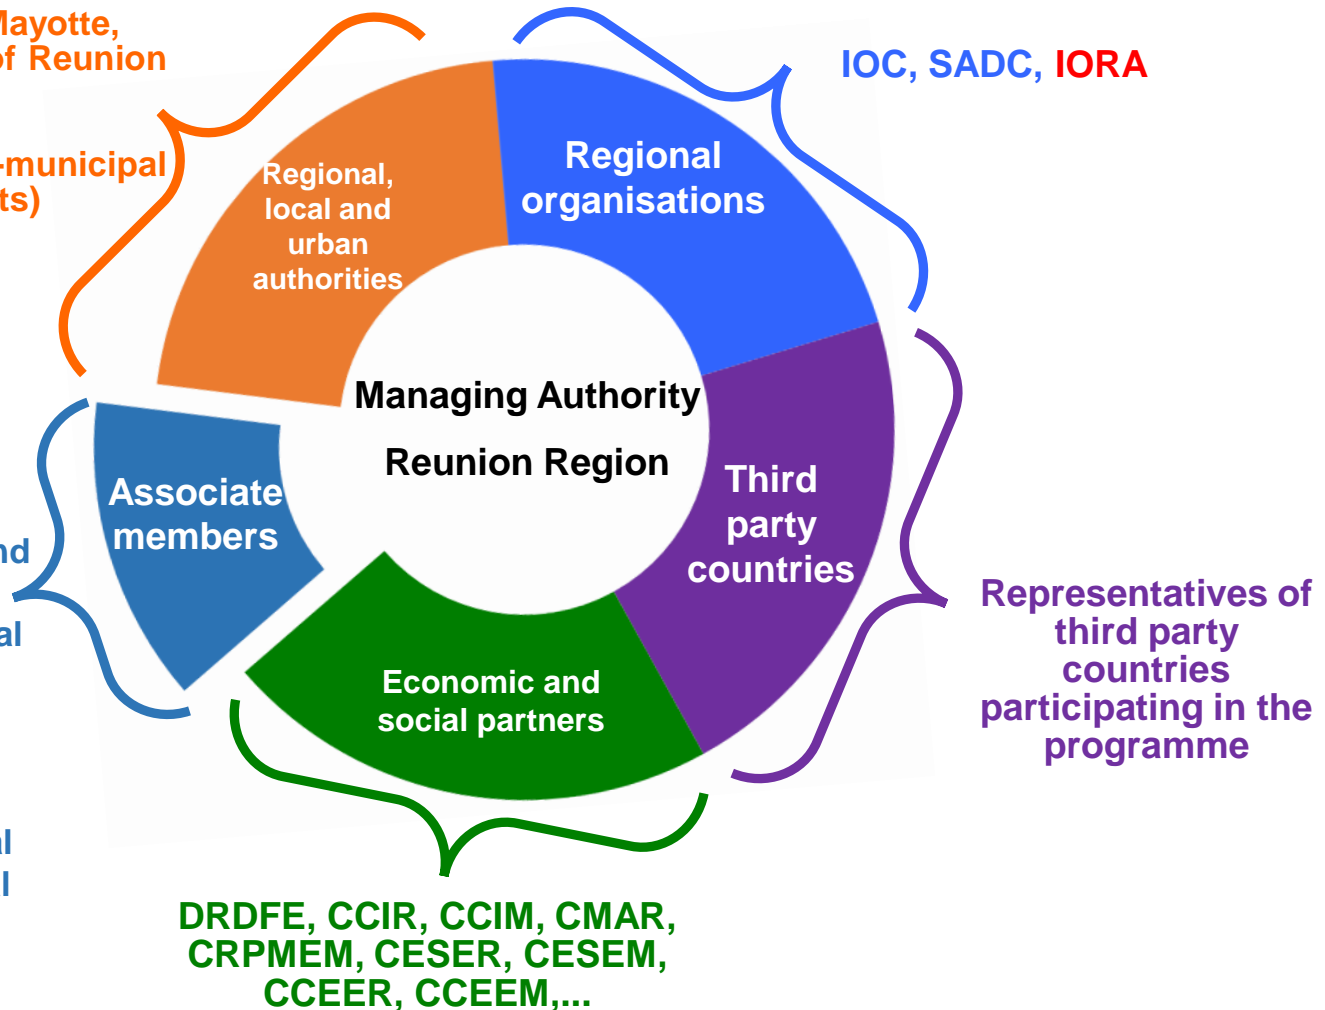

# DECISION OF THE MONITORING COMMITTEE

## **2- Presentation of the Monitoring Committee 2021-2027 and its rules of procedure**

## Composition of the INTERREG Monitoring Committee (Art 29 of EU Regulation 2021/1059)

- Préfets of Reunion and Mayotte,
- Departmental Councils of Reunion and Mayotte,
- Association of Mayors,
- 5 EPCIS (Public inter-municipal cooperation establishments)

- Members of parliament,
- MEPs,
- Representatives of the European Commission and EUD,
- Ambassador for Regional Cooperation
- Representatives of Ministries,
- Representatives of the Government, the Regional Council, the Departmental Councils of Reunion and Mayotte

# DECISION OF THE MONITORING COMMITTEE

## Committee remit (art. 30 of EU regulation 2021/1059)

### Monitoring Committee chaired by the Regional Council President

#### MAIN REMIT OF THE IMC (Art. 4 Rules of Proc.)

To ensure the quality of programme implementation

To approve the selection criteria and any amendments made

To approve the assessment plan and the final performance report, and any amendments thereto

#### DECISION MAKING (Art. 3)

Consensus rule **or absolute majority**

#### IMC DELEGATING to other meetings (art. 4)

To delegate project selection to the COPIL

To delegate the monitoring of the assessment plan implementation to the ETC

## Steering Committee (COFIL) - see art 22 of EU reg. 2021/1059) and art 8-3 of EU reg. 2021/2060

### COMPOSITION OF THE STEERING COMMITTEE (art. 4)

- Regional Council
- Departmental Council of Reunion Island
- Prefecture of La Réunion
- CESER of La Réunion
- CCEE of Reunion
- Departmental Council of Mayotte
- CESER of Mayotte
- CCEE of Mayotte

### MAIN ROLES (art. 4)

- Project selection
- collection of co-financing intentions related to national counterbalances

**The first Indian Ocean Interreg Steering Committee adopted its rules of procedure.**

## Joint Secretariat of the programme - see Article 46.2 of EU regulation 2021/1059

**The Managing Authority will set up a  
joint secretariat to manage the partnership**

### **TASKS OF THE JOINT SECRETARIAT**

To assist the Managing Authority in the organisation and preparation of documents for the IMC, COPIL and ETC meetings

**Organisation of meetings in the *margins of the IMC* (together with the focal points, a coordination committee with the Mozambique Channel programme, and with the IOC mission officer, etc.)**

## Coordination of cooperation programmes in the Indian Ocean region

### 2 INTERREG programmes in the Indian Ocean zone:

- **Coordination Committee (bimonthly or more as needed) between the managing authorities of the Indian Ocean and Mozambique Channel programmes (within 3 months of the validation of the Interreg Mozambique Channel programme)**

## Discussions during the technical meeting

Comments on the Rules of Procedure	Details provided by the Managing Authority
<p>The European Commission asked Mayotte if the provisions of the rules of procedure met with their approval.</p> <p>The Departmental Council of Mayotte emphasised efforts made by the Managing Authority to make contact and establish links. They confirmed that most proposals made have been taken up and indicated that these provisions will also be included in the rules of procedure of the Mozambique Channel programme.</p>	<p>The services of the Managing Authority presented the changes that have arisen between the 2014-2020 rules of procedure and those of the 2021-2027 period, with 2 types of changes:</p> <ol style="list-style-type: none"> <li>1. Regarding regulatory developments</li> <li>2. Regarding the formalisation of existing practices</li> </ol>

## Discussions during the technical meeting

### Comments on the Rules of Procedure

The Commission and the representatives of third party States provided the Managing Authority with comments on the draft rules of procedure of the ISC 2021-2027 :

#### 1- Comments on paragraphs on page 2:

Comments from the Commission: The Commission specifies that, according to regulations, the 2021-2027 Monitoring Committee will be officially established after the programme has been approved. In this respect, all participants approved the composition of the Monitoring Committee and its rules of procedure, pending this approval.

#### 2- Comments on Article 3

Adding and deleting terms

### Details provided by the Managing Authority

All the comments made have been incorporated into the rules of procedure:

#### 1- In the paragraphs on page 2:

- *The title of the implementing decision to be included in the opening paragraphs (concerning the programme area)*

- ***Last paragraph on page 2:***

"The composition of the Committee and its rules of procedure have been provisionally adopted, pending the implementing decision which approves the programme. The Monitoring Committee will be set up on the day after the date whereby Member States are notified of the Commission's decision to approve the Interreg VI Indian Ocean programme. The MA will proceed by written procedure to record the final adoption of the rules of procedure of the Monitoring Committee."

#### 2- In Article 3:

- addition of the words "the IMC will meet primarily in person"; and deletion of the words "with voting rights".

## Discussions during the technical meeting

Comments on the rules of procedure	Details provided by the Managing Authority
<p>There was a discussion on the Monitoring Committee's decision-making process in the absence of consensus. The Seychelles INTERREG Focal Point proposed that decisions should be taken by a two-thirds majority in the absence of consensus.</p>	<p>Following these discussions, the Mauritius Focal Point was satisfied with this alternative. The proposal of the Seychelles Focal Point has therefore been accepted. (Article 3)</p>
<p>The Commission requested that the agenda be added to the list of documents sent to the members of the Monitoring Committee.</p>	<p>Article 3 of the Regulation has been amended accordingly.</p>
<p>The Commission advised that the rules of procedure should distinguish between the method of consultation of IMC members by written procedure and the traditional method of consultation.</p>	<p>Consultation by written procedure will be the subject of a specific paragraph in Article 3.</p>

## Discussions during the technical meeting

Comments on the rules of procedure	Details provided by the Managing Authority
<p>The Commission requested that IMC members be informed when COPIL minutes become available.</p> <p>It was requested that the COPIL rules of procedure be forwarded to IMC members.</p>	<p>Information concerning the availability of these documents will be provided to IMC members. (art. 4)</p> <p>The COPIL rules of procedure will be transmitted to IMC members. (art. 4)</p>

## Discussions during the technical meeting

Comments on the Rules of Procedure	Details provided by the Managing Authority
<p>The Commission requested that the list of associated members of the IMC include the following: the AFD and the EU Delegations in third party countries as provided for by the implementing decision EU2022/75 of 17th January 2022.</p>	<p>Changes have been made in the annex to the rules of procedure.</p>

## Discussions during the technical meeting

### Comments on the rules of procedure

In an email to the Managing Authority on 6th December 2022, the IOC Secretary General commented on Articles 6 and 9 of the rules of procedure of the Monitoring Committee.

### Details provided by the Managing Authority

**art 6:** The France/Reunion mission officer made available to the Indian Ocean Commission (IOC) by the Managing Authority (MA), will be able, in consultation with and after the agreement of the Secretary General, to promote and monitor NDICI/INTERREG projects and to act as a relay for the MA by acting as an intermediary with the EU delegation in Mauritius in situ.

**art 9:** At the request of the Managing Authority or the Secretary General, the France/Reunion mission officer made available to the Indian Ocean Commission (IOC) by the Managing Authority (MA) **may** take part in technical meetings organised in conjunction with the Interreg 21-27 ISCs.

The MA proposed that these comments be taken into account.

# DECISION OF THE MONITORING COMMITTEE

# 3- Interreg 2021-2027 Framework Agreements

## Interreg framework agreements

### REMINDER - 2014-2020

Convention-cadre signée le 11 octobre 2016

Convention-cadre signée le 30 novembre 2016

Convention-cadre signée le 14 août 2017

Framework agreement signed on 6  
April 2019

**A model framework agreement for 2021-2027 has been proposed as an annex to the rules of procedure**

- Voluntary approach of the Managing Authority and partner countries
- Provided for in the general governance scheme of the Interreg V Indian Ocean programme 2014-2020
- Has strengthened the involvement of third party states in the implementation of the programme.
- Specifies common priorities and facilitation means (focal points, local offices) and monitoring (by local committees)
- Promotes the integration of Reunion within the rest of the region

## Discussions during the technical meeting

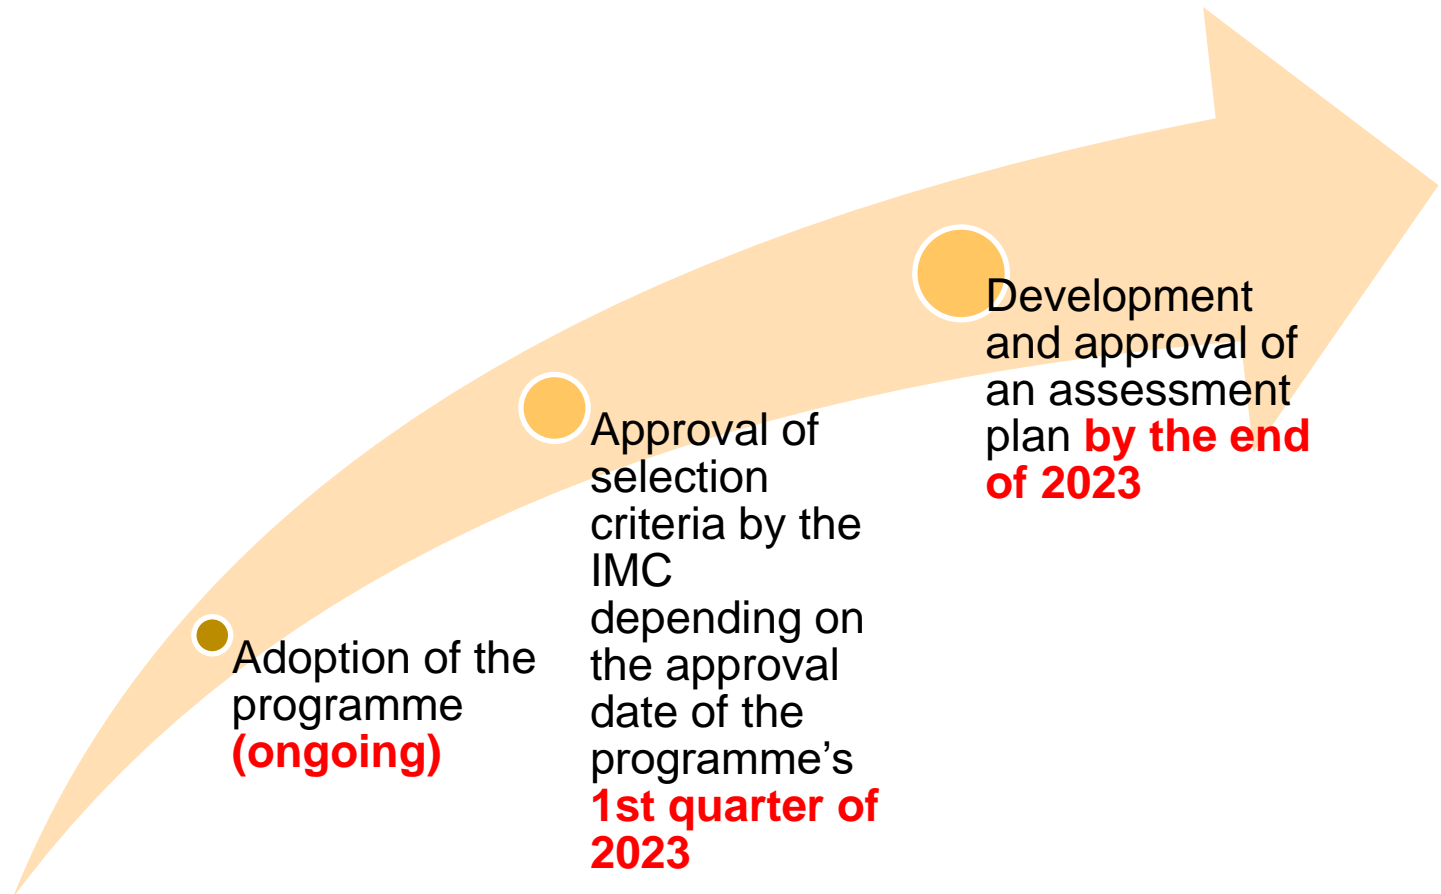

Comments on the draft framework agreement	Details provided by the Managing Authority
<p>Clarification was requested from the Managing Authority on the scope of the framework agreement.</p> <p>The response given satisfied all third party countries present.</p> <p>The Commission requested the deletion of references to the Financing Agreement (Art. 59 of EU regulation 2021/1059)</p>	<p>It was agreed that the approval of the Framework Convention holds no prejudice to the sovereignty of third party States. This will be specified in the framework agreement.</p> <p>This change has been made in the draft convention.</p>
